1 Name

This instrument is the *Competition and Consumer (Consumer Data Right) Data Standards (No. 1) 2023*.

2 Commencement

This instrument commences on the day after its text is published on the internet at <https://consumerdatastandards.gov.au/consumer-data-standards>.

3 Authority

This instrument is made under section 56FA of the *Competition and Consumer Act 2010* and rule 8.11 of the *Competition and Consumer (Consumer Data Right) Rules 2020*.

4 Definitions

- (1) In this instrument:

Act means the *Competition and Consumer Act 2010*.

CDR entity has the meaning given in subsection 56AU(3) of the Act and includes a data recipient of CDR data.

reference text means:

- (a) the text published on the internet at <https://consumerdatastandardsaustralia.github.io/standards>; and
- (b) the text of all documents referred to in, or accessible through a link embedded in or referred to in, the text referred to in paragraph (a).

- (2) Other words and expressions in this instrument have the meanings they have in the Act.

5 Binding data standards

- (1) This section applies in respect of each matter in respect of which, under the *Competition and Consumer (Consumer Data Right) Rules 2020*, a data standard must be made.
- (2) If a provision or provisions in the reference text:
 - (a) impose an obligation to be complied with by a CDR entity; or
 - (b) impose a prohibition on a CDR entity;in respect of the matter, the provision or provisions, as in force or existing from time to time, are incorporated in this instrument, but modified as mentioned in subsection (4) and section 6.
- (3) The obligations or prohibitions in respect of a matter, as so incorporated, are data standards in respect of the matter.

Section 6

- (4) For subsection 56FA(3) of the Act, each data standard under subsection (3) is modified by specifying that the data standard is a binding data standard.

Note The effect of this section is that the mandatory terms of the text published on the internet at <https://consumerdatastandardsaustralia.github.io/standards> are binding data standards. Guidance and other material in the reference text are not binding data standards.

6 Commencement of and full compliance with binding data standards

- (1) Subject to this section, each binding data standard under subsection 5(3) is modified:
- (a) by specifying that it commences on the date on which this instrument commences; and
 - (b) by specifying that a CDR entity to which it applies must fully comply with the standard by the date on which this instrument commences.
- (2) If a binding data standard under subsection 5(3) specifies that an obligation or prohibition comprising the standard commences on a specified date after this instrument commences (*later date*), the standard is modified by specifying that it commences on the later date.
- (3) If a binding data standard under subsection 5(3) specifies that an obligation or prohibition comprising the standard is to be fully complied with by a specified date after this instrument commences (*later date*), the standard is modified by specifying that is to be fully complied with by the later date.
